II SEMINARIO
IBEROAMERICANO
DE ECONOMÍA DE
LA CULTURA

Authors should send an extended abstract of their investigations to the email siec2019@uach.cl.

The deadline is on the 29th of July of the present year.

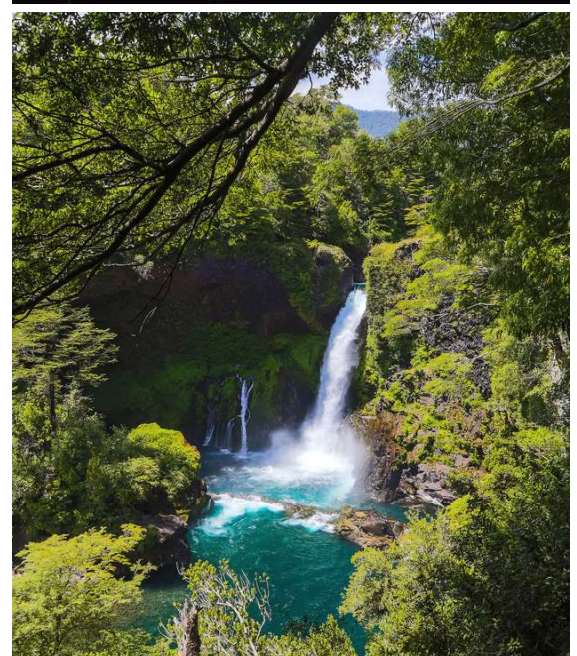

The extended abstract should be no longer than 1000 words.

Moreover, the structure should include the objective, methodology and the main results, either obtained or expected.

The summary has to include a title, last name(s) and name(s) of the author(s), related institution (University, Institute, Investigation Centre, public or private organism, etc.), address, city, country, email and the topic of investigation.

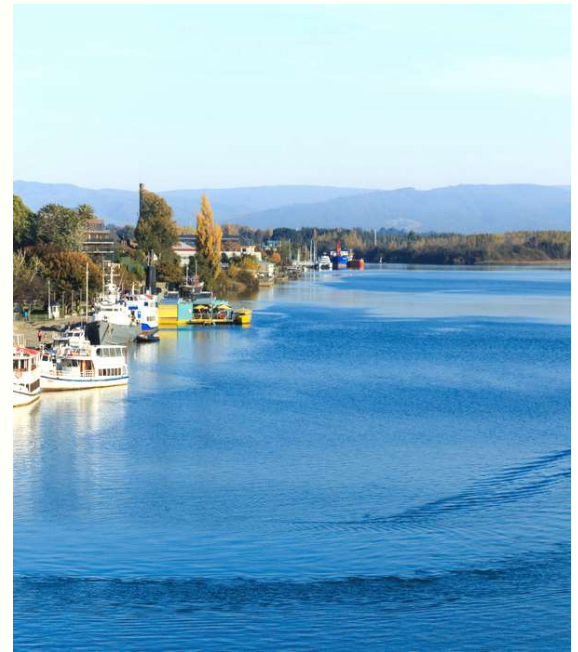

Moreover, summaries will be accepted in both PDF and Word format and they can be written in Spanish, Portuguese or English.

The selected works announcement will be extended to the authors until the 23rd of August, 2019.
