2019 BARCELONA WORKSHOP ON REGIONAL AND URBAN ECONOMICS VII JRC REGIONAL MODELLING WORKSHOP

Regional economic modelling and policy impact assessment

Barcelona, October 24th - 25th 2019
Faculty of Economics and Business, University of Barcelona

The **Joint Research Centre (JRC) of the European Commission** and the research group **AQR-IREA** of the University of Barcelona are pleased to announce the joint 2019 Barcelona Workshop on Regional and Urban Economics and VII JRC Regional Modelling Workshop, to be held in Barcelona on October 24th - 25th, 2019. The workshop will be focused on economic modelling, regional and territorial analysis, and the assessment of the spatial impact of policies. Methodological and empirical contributions will be welcomed. Studies based on Computable General Equilibrium and Macroeconometrics models will be preferred, although other approaches might be considered as well.

Keynote speakers:

Román Arjona (Chief Economist, Directorate-General for Research and Innovation, European Commission)
Alexander Lembcke (Economist, OECD)

Presentations: We will accommodate around 8 to 10 papers, to be presented in plenary sessions that will complement the keynote speakers' presentations.

Submission: Papers should be sent in pdf format to aqr_workshop@ub.edu before September 6th, 2019. Extended abstracts or incomplete drafts will also be considered, but full papers will be favoured.

Travel and accommodation costs for presenters of accepted papers will be covered by the organisers.
