## Dear Colleagues:

The Faculty of Social Sciences at the University of Castilla-La Mancha (UCLM) in Cuenca is pleased to host the **III Seminar for New Academic Researchers (SNAR) 2019**.

Following the aims and scope of the successful previous editions in Oviedo and Plasencia, the SNAR seeks to gather a group of researchers, academics, and students (PhD candidates or graduates) to share previous, current, and potential future works among all participants rather than presenting a specific research paper, with the main purpose of guiding new researchers in developing their long-term careers.

We encourage contributions on topics related (but not limited) to the diverse fields involved in Regional Science and/or Input-Output analysis: economics, econometrics, urban planning, geography, tourism, inequality, health and welfare, impact evaluation, structural analysis...

The participants will benefit from the knowledge and experience of Professor Geoffrey J.D. Hewings (REAL – University of Illinois) and other senior researchers attending this event. All valuable comments and suggestions shared during the meeting will also contribute to building a network of researchers interested in regional economic development and Input-Output analysis. This meeting is not just intended to be a traditional set of academic presentations, but also a workshop where the participants can learn some **helpful tips**. Senior members will contribute with some presentations on how to **prepare a manuscript**, how to **review a paper**, how to answer the **referees' comments** or funding possibilities for Early Careers in the EU (for grants, individual projects or research stays).

Please, confirm your willingness to participate in this Seminar by sending your abstract to [Fernando.Bermejo@uclm.es](mailto:Fernando.Bermejo@uclm.es), including your name(s), affiliation(s), main topic and 3-5 keywords. The Seminar will be held on **October 18, 2019** at the University of Castilla-La Mancha, Faculty of Social Science (Campus Cuenca).

Come to check it out and spread the word! **There is no registration fee to participate!**

Looking forward to meeting you all in Cuenca.
