

THE CALL FOR PAPERS IS NOW OPEN

The Gran Sasso Science Institute, Social Sciences area is pleased to announce the 5th workshop “Migration, Globalization and the Knowledge Economy”, to be held in L’Aquila, May 17-18, 2022.

COVID19 NOTICE! The workshop is planned to take place in person, in compliance with health regulations and policies. Based on the evolving circumstances, we will communicate any variation of the format to the participants in due course.

The Workshop will focus on how migration, innovation and entrepreneurial processes intersect in different regional contexts. A non-exhaustive list of topics of interest includes:

- *MNC and migration decisions*
- *International migration and brain drain effects*
- *Migration, self-employment and entrepreneurship*
- *Skills, migration and innovation*
- *Skills and migration in peripheral areas*
- *Diversity, knowledge recombination and innovation*
- *Diasporas and knowledge diffusion*
- *Temporary migration and knowledge sharing*
- *Historical studies of skilled migration*
- *Place-sensitive policies, skills and migration*
