Summary:

The **IV Workshop on Transparency, Corruption and Quality of Government** is an academic meeting point for researchers in various fields related to institutions, their assessment and their socio-economic impacts. The Workshop is scheduled to be held in person on October 26, 2023, at the Universitat Jaume I (Castelló de la Plana, Spain): Sala de juntes Arcadi Garcia i Sanz, Faculty of Law and Economics.

Program Highlights: In its IV edition, the workshop features presentations by notable researchers, covering a range of topics, including the interplay between institutions and digital technology in shaping income inequality, the development of sub-national corruption perception indices, the impact of economic sanctions and political regimes, comprehensive policy evaluation and analysis, government spending efficiency, and the role of institutions on the resource-growth nexus.

Organizers: The workshop is organized by the Càtedra de Transparencia Pública (Chair of Public Transparency) and the Instituto Interuniversitario de Desarrollo Local (Interuniversity Institute of Local Development) from Universitat Jaume I and Valencian Regional Science Association (AEER-AVCR). It is held in collaboration with funding from the Generalitat Valenciana.
