

VII SEMINAR FOR NEW ACADEMIC RESEARCHERS

24th – 25th September 2026

Faculty of Economics, Business and Tourism of the University of Alcalá

The Faculty of Economics, Business and Tourism of the University of Alcalá, in Madrid, is pleased to host the **VII Seminar for New Academic Researchers (SNAR) 2026**.

Following the aims and scope of the previous successful editions, the SNAR seeks to gather a group of researchers, academics, and students (PhD candidates or graduates) to share **previous, current, and potential future works** among all participants rather than presenting a specific research paper, with the main purpose of guiding new researchers in developing their long-term careers.

Thus, we especially invite you to present a **line of research** (past, present, or future), or a **project** in which you are involved (or that you are interested in) rather than just a specific article. This year, the seminar will be completed with some training courses for early career researchers.

We encourage contributions on topics related (but not limited) to the diverse fields involved in regional science and input-output analysis: economics, econometrics, urban planning, geography, tourism, inequality, health and welfare, impact evaluation, structural analysis, environmental economics, labour market, etc.

The format of the Seminar will be **hybrid**: all sessions (i.e., practical courses, panel sessions and lectures) will be available in a virtual platform. Therefore, registration and attendance to the SNAR may be onsite or online, indistinctly.

All the valuable comments and suggestions shared during the meeting will also contribute to building a network of researchers interested in regional economic development and Economic geography.

Please, confirm your willingness to participate in this Seminar by sending your abstract to snar@uah.es, including your name(s), affiliation(s), type of assistance (online or onsite), main topic and 3-5 keywords.

The Seminar will be held on **September 24th-25th, 2026**, in Alcalá de Henares, Madrid (Spain), at the Faculty of Economics, Business and Tourism of the University of Alcalá. Come to check it out and spread the word! Looking forward to meeting you all in Madrid.
