

Call for papers IV Seminar for New Academic Researchers 2021 – Faculty of Economics and Business Studies – University of Zaragoza, Zaragoza, Spain

The Faculty of Economics and Business Studies of University of Zaragoza, in Zaragoza, is pleased to host the **IV Seminar for New Academic Researchers (SNAR) 2021**.

Following the aims and scope of the successful previous editions in Oviedo, Plasencia, and Cuenca, the SNAR seeks to gather a group of researchers, academics, and students (PhD candidates or graduates) to share **previous, current, and potential future works** among all participants rather than presenting a specific research paper, with the main purpose of guiding new researchers in developing their long-term careers. Thus, we especially invite you to tell us **a line of research** (past, present, or future), or **a project** in which you are involved (or which you are interested in open) more than a specific article.

We encourage contributions on topics related (but not limited) to the diverse fields involved in regional science and input-output analysis: economics, econometrics, urban planning, geography, tourism, inequality, health and welfare, impact evaluation, structural analysis...

The participants will benefit from the knowledge and experience of Professor Geoffrey J.D. Hewings (REAL – University of Illinois) and other senior researchers attending this event. All valuable comments and suggestions shared during the meeting will also contribute to building a network of researchers interested in regional economic development and input-output analysis.

Please, confirm your willingness to participate in this Seminar by sending your abstract to rlan@unizar.es, including your name(s), affiliation(s), main topic and 3-5 keywords. The Seminar will be held on **September 30 and October 1, 2021** at the Department of Economic Analysis of University of Zaragoza, Paraíso Campus.

Come to check it out and spread the word! **There is no registration fee to participate!**

Looking forward to meeting you all in Zaragoza.

Deadlines:

Submission of abstracts: **September 1, 2021**.

Notification of acceptance: **September 15, 2021**.

More information about the event will be sent soon.

Fernando Bermejo, André Carrascal, Raquel Langerita, and Serena Serrano
